Preface

This Statement of Vote is prepared and issued pursuant to Elections Code section 17121.

I wish to thank those many individuals who assisted in compiling, editing, proofing, and printing this document with its detailed information.

In particular, I wish to express my special appreciation to Ed Arnold, Deirdre Avent, Caroline Bigelow, Ruby Dragash, and Cindy Lotz of my elections and media staffs, each of whom worked many long and tedious hours preparing and editing this publication, as well as to of my archives staff, who designed and prepared the cover graphics.

I must also thank my entire data entry staff who toiled all night long on election night to receive the semi-official canvass. I am proud of their long hours, dedicated devotion, and unselfish commitment to an unusually demanding job.

Please Note: This printed edition of the Statement of the Vote contains corrected vote counts based on the County of Amador's certification of their Primary Election results, which was hand-delivered on November 28, 1990.

Note 1: "Although counties have been required to report the party affiliation of California's registered voters since 1915, the first statewide record did not appear until 1922, and no records are available prior to that date." See Eugene C. Lee, California Votes 1928 - 1960, Institute of Governmental Studies, University of California, 1963, quoted at page 26.

Note 2: Prior to 1944, the presidential primary was held in May, and a second primary was held in September or August to nominate partisan candidates for congress, the state senate, and the assembly. In 1944, these primary elections were consolidated into a single primary election date.

Note 3: Since the statewide primary election party nomination process began in 1910, fifteen parties have qualified to conduct primary elections, including:

- *Democratic 1910 - present
- *Republican 1910 - present
- *Independence League 1910
- *Prohibition 1910 - 1962
- *Socialist 1910 - 1938
- Progressive ("Bull Moose") 1914 - 1918
- Liberty 1932-1934
- Commonwealth 1934 - 1938
- Communist 1934 - March 1944
- Progressive 1934 - 1938

- Independent Progressive 1948 - 1954
- American Independent 1968 - present
- Peace and Freedom 1968 - present
- Libertarian 1980 - present

Prior to 1910, many parties either conducted conventions or held primary elections to select their candiates for the statewide general election. The five parties whose names are preceded by an asterisk were active before 1910.

Certificate of the Secretary of State

I, MARCH FONG EU, Secretary of State of the State of California, hereby certify:

That the foregoing is a full, true, and correct statement of the result of the official canvass of the returns of the June 5, 1990 Direct Primary Election.

IN WITNESS WHEREOF,
I hereunto set my hand
and affix the Great Seal of
California, at Sacramento,
this 14th day of July, 1990.

MARCH FONG EU
Secretary of State

90 81496

California's first absentee voters were Civil War soldiers who were allowed to vote where they were stationed. Ballots of Company A, Second Massachusetts Cavalry — the California One Hundred — were cast in Centreville, Virginia, in 1863 then mailed back to the Secretary of State in California.

Some soldiers supplied unique write-in candidates of their own. One voter put forth Emperor Norton I, a colorful character of the time, as candidate for Governor. Norton, once a successful real estate broker in San Francisco, fell on hard times and chose to cope with his recent business failures by proclaiming himself emperor of the United States and Protector of Mexico.

These original Civil War ballots and other historic election materials are preserved in the California State Archives.

California's first absentee voters were Civil War soldiers who were allowed to vote where they were stationed. Ballots of Company A, Second Massachusetts Cavalry — the California One Hundred — were cast in Centreville, Virginia, in 1863 then mailed back to the Secretary of State in California.

Some soldiers supplied unique write-in candidates of their own. One voter put forth Emperor Norton I, a colorful character of the time, as candidate for Governor. Norton, once a successful real estate broker in San Francisco, fell on hard times and chose to cope with his recent business failures by proclaiming himself emperor of the United States and Protector of Mexico.

These original Civil War ballots and other historic election materials are preserved in the California State Archives.
